**Report of the auditors on the audit of the annual financial statements 2023 Association Swiss4Afrika**

As auditors, we have audited the financial statements (balance sheet, income statement and notes) of the association Swiss4Afrika for the financial year ending 31 December 2023 (extended founding year 20.09.2022-31.12.2023).

We have audited the financial statements of the Association for the period from 20 September 2022 to 31 December 2023 with the financial statements as of 31 December 2023.

The balances recognised in the balance sheet agree with the supporting documents. The supporting documents for the bookings audited on a sample basis are in order. The accounting records are complete and correct.

We propose that the General Meeting approve the 2023 annual financial statements as presented and grant discharge to the Treasurer, Mrs Stéphanie Périllard, and the Board.

The Board is responsible for the annual financial statements and our task is to audit them. We confirm that we fulfil the requirements regarding qualification and independence.

Based on our audit, nothing has come to our attention that causes us to believe that the financial statements are not in accordance with the law and the articles of association.

Kind Regards
